Term 3 Week 10

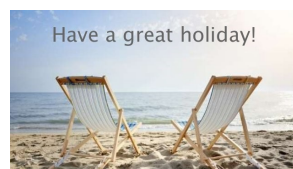

Wow!! What a show on Tuesday evening the Cundletown Public School Spectacular was absolutely fantastic. The students were simply awesome, their items were certainly high quality and very entertaining. Thank you to our parent and community for your support and of course thanks to our staff for their commitment and talent organising such a great event. Term three is concluding this week with term four commencing on Monday 15th October. In Term four we will have the Kindergarten transition continue and welcome our new students for their second visit. The October P&C meeting will be held on Tuesday 23rd October. The P&C are also holding a fundraiser with the Christmas guessing competition prizes include a Webber BBQ, tickets on sale now and in Term four.

The Netball and Touch football Gala Days will be held early in the term, information will be sent home to the students involved.

In Term four all staff will continue their professional learning with future focussed learning which will include critical and creative thinking skills and the application to teaching and learning.

Principal

No Parking/Stopping and Bus Zone Reminder

Just a friendly reminder about our No stopping, No parking and Bus Zones. Please be mindful when dropping off or picking up your children at school for other students crossing the road. Also please remember that there is no stopping before or after the crossing lines at any time. We would like to make sure that all our students at Cundletown Public School are kept safe at all times. Our council road safety officer has been in touch and will be monitoring the area for a possible school kiss and drop zone for our school.

Thank you.
