Learning for Life

Cundletown Public School

Monday 17th December 2018

Term 4 Week 10

As the 2018 school year draws to a close I want to again thank the Cundletown Public School community for your support of our school. We are a leading school in our Manning area and I am committed to ensuring this continues and strive to be even better in the coming years as we continue to meet the needs of our wonderful students.

A few thoughts for next year as we move into our second year of the school three year strategic plan. We will continue to focus of ensuring every class has a quality teacher every day, as this is one of the best resources to ensure student success. Our focus on improving the teaching of writing and student writing skills will be continued next year. The third area will be future focussed learning which will ensure our school is a modern, well equipped and high performing school now and into the future.

A revised school code of conduct, including playground rules that reflect current Department policy and our school expectations of appropriate positive reinforcement of good behaviour and fair and reasonable consequences.

The NSW Premier announced the School Community Charter last week. This sets in place a policy from the Department of Education and NSW Government about what is appropriate communication and behaviour regarding any adult whilst on site or in contact with the school, ensuring all staff and students working and learning in a safe environment.

I have just been informed of a successful maintenance project to replace the main block roof, this is a timely and well received boost for our school. We also have some minor painting and carpet replacement taking place. Our new basketball boards and rings have finally arrived and will be fitted.

We have had many occasions to celebrate student achievement this year because of the staff and parents that give their time, effort and talent for our students. I look forward to another outstanding year in 2019.

Have a happy and safe Christmas.

Nigel Sherrard
Principal

Congratulations

Stage 1 Spelling Bee

Well done to all the stage 1 students that competed in our spelling bee last week. All students stood on the stage with confidence and did an exceptional job spelling some very challenging words. Thank you to Ms Hansen and Ms Cairns for running the spelling bee, year 5/6 for coming to support our stage 1 students and all the family members who were able to attend. Congratulations to Cooper N who was the top speller of the day.

Carols In the Park

Thank you to our amazing K-2 students who got into the Christmas spirit this weekend, performing on stage at the Carols in the Park. It was lovely to see so many of our Cundletown families coming together for this community event. The smiles on the children's faces as they got up on the stage was a delight to witness. Well done to those who performed, you did a fantastic job and thank you to Mrs McLaughlin and Mrs Elsing for your organisation.

Here is our Wonderful Kindergarten choir performing at the Presentation Day Assembly.

Well done Kindergarten you all looked and sounded amazing.

Congratulations to our Amazing Triple C Band for another outstanding performance at our Presentation Day

School Leaders 2019

Congratulations to our 2019 school leaders, we are excited to see what next year will bring and are sure you will all do an amazing job representing our school.
